The standard use is Social Domestic and Pleasure including commuting to and from any place of employment but excluding the carriage of goods or passengers for hire or reward, or any purpose in connection with the motor trade.

This policy does provide cover whilst the insured vehicle is being driven on public roads on route to or from sections of competition events. However, this insurance does not cover any form of racing, pacemaking, speed testing or competitions, performance testing, use on any race track or test circuit or use on any off-road course or ground.

Driving Other Vehicles

We do not provide cover for driving other vehicles under this insurance, therefore this is excluded.

No Claim Bonus

If a claim has not been made during the current period of insurance then you will be awarded a discount on your renewal premium for the next period of insurance. If a claim has been made during the current period of insurance then we will reduce any no claim bonus entitlement you have in accordance with the current scale detailed on your policy schedule.

Protected No Claim Bonus

This is available subject to certain terms and conditions if you have earned three or more years No Claim Bonus (an additional premium is applicable). Your existing No Claim Bonus entitlement will be protected provided there are no more than two claims in any four consecutive years that would have affected the bonus entitlement.

Mid-Term Adjustments

If you make a permanent change to your policy during the current period of insurance, or require a duplicate copy of your policy documents, we will charge you a fee to cover our administration costs. Please refer to our Policy Document for further details.
